Customer application # IND 9005-1C

Customer ACNA Code (Required) _____

In accordance with the terms and conditions of the Interconnection Agreement or Structure License Agreement between SBC Ameritech and Fibertech Networks, LLC, application is hereby made to obtain information from SBC Ameritech Structure Records in the municipality of Indianapolis.
Applicant requests SBC Ameritech proceed as indicated:

- () Please provide Conduit Specialty maps on CD for Wire Centers as indicated on the attached stick maps and/or drawings. If Wire Center names are known, simply list them by name. A payment of \$ _____ (\$200.00 per Wire Center) is included to cover the map preparation.
- () Please arrange to allow our representative to view the appropriate Structure Records for the area indicated on the enclosed map and data sheets. Enclosed is a payment of \$ _____ (\$80 per hour X # of hours requested X 50%)(Minimum is two hours)
- (X) Please perform a Route Record Check on the route as indicated on the attached stick maps or drawings. A Route Record Check is a review of SBC Ameritech conduit and cable records (no field visits) of the conduit and manholes indicated on the attached stick map and data sheets to determine possible availability of duct space from the records.
A payment of \$ 400.00 (\$400.00 per Wire Center) is included to cover the record preparation.

For all deposits it is understood that all charges shall be based on actual cost including overhead. If these charges differ from the deposit amount, a bill will be issued to collect any additional charges or a refund will be made if the deposit exceeds charges.

Southfield, Michigan 48075
(888) 395-2722

(To be completed by Applicant)
Customer application # CH 2

Customer ACNA Code (Required) FOB

A payment of \$200.00, for administration costs, must accompany this application form.

In accordance with the terms and conditions of the Interconnection Agreement or Structure License Agreement between FIBERTECH NETWORKS and SBC Ameritech, application is hereby made for a Permit to occupy 2749 feet of conduit facilities as indicated on the attached slick map and data sheet (Form C-2) in the municipality of GREENWOOD. Also indicated on the attached data sheet (Form C-2) are the number and manufacture specifications of communication cables, outside diameters and any locations where it is desired to enter and exit manholes and/or place splices or fiber maintenance loops in SBC Ameritech's manholes.

- () This authorizes SBC Ameritech to perform a make-ready survey whereby SBC Ameritech will determine the availability of conduit structure for occupancy, will estimate what make-ready work would be required to prepare the conduit structure for occupancy, and will provide an estimated cost for that make-ready work. Enclosed is a payment of \$_____ to cover the cost for SBC Ameritech to perform the make-ready survey. The cost for the make-ready survey will be:

\$ 200.00 + (\$ 400.00 X _____ Manholes = \$ (_____)
(Administration cost) (Unit cost per MH) (Number of manholes) (Total Fixed Charge)

It is understood that this will be the total cost for the Make Ready Survey work unless extraordinary expenses are incurred or changes are requested by Applicant that increase the costs.

- (X) Applicant will perform the make-ready survey (not available in Ohio) and will provide a completed Form C-2 with sufficient details and conduit butterfly drawings for SBC Ameritech to perform the make-ready work. make-ready survey must be completed within 45 days of the date of this application to keep this Request active. All SBC Ameritech costs from inspections and site visits during this work will be billed to the Applicant. Applicant will be using SBC Ameritech Approved Contractor JDH CONTRACTING
(Name of contractor doing survey)

- () Attached are the results from a completed Make Ready Survey. SBC Ameritech is requested to provide estimated costs to perform indicated Make Ready work. Applicant will be charged a minimum of 2 hours for engineering time.
- () To perform Make-Ready, based on SBC Ameritech record check. Enclosed is the A-1 form and payment of the make-ready cost estimate.
